
Sulphide Deposit South Iron Hill Leadville Colorado

vectoring volcanogenic massive sulphide mineralization at ... - geochemical investigation of drill core from the raindrop massive sulphide deposit indicates that the hydrothermal fluids may have vented at a stratigraphic level different from that targeted by early drill programs. samples of volcanosedimentary rocks, including exhalite, exhibit a change in eu content, from weakly negative to moderately positive, from south to north along the strata. these ... **magmatic sulfide deposits (models 1, 2b, 5a, 5b, 6a, 6b ...** - magmatic sulfide deposits (models 1, 2b, 5a, 5b, 6a, 6b, and 7a; page, 1986a-g) by michael p. foose, michael l. zientek, and douglas p. klein summary of relevant geologic, geoenvironmental, and geophysical information deposit geology magmatic sulfide deposits are sulfide mineral concentrations in mafic and ultramafic rocks derived from immiscible sulfide liquids. a number of schemes exist for ... **phanerozoic solid-sulphide occurrence containing devonian ...** - east and south beaches, where the sulphide concretions have been found over localized areas. a fault zone beneath the a fault zone beneath the channel is believed to have provided a path for iron-sulphide-rich fluids to reach and precipitate within the devonian **geological and assessment report work program iron mineral ...** - the iron mountain property is located on the northeast, east and south flanks of iron mountain approximately 7 km south of merritt, british columbia in the nicola mining division. the property is **defining the style of mineralisation at the cairn hill ...** - sulphide deposit; mount woods inlier, gawler craton, south australia hydrothermal evolution of the cairn hill iocg deposit abstract the cairn hill fe-(cu-au) deposit is located within the world-class 1.6 ga olympic iron oxide-copper-gold (iocg) province of the gawler craton, south australia. cairn hill deposit formation was penecontemporaneous with regional orogenesis, and is interpreted as a ... **definition of gold-rich volcanogenic massive sulphide deposits - gold-rich volcanogenic massive sulphide deposits benoit dubÉ1, patrice gosselin1, mark hannington2 and alan galley2** geological survey of canada, 880 chemin sainte-foy, quebec, g1s 2l2, canada **volcanic-hosted massive sulphide deposits - vms** - volcanic-hosted massive sulphide deposits - vms volcanic-hosted or volcanogenic base- and precious-metal mineralization is typically hosted by, or associated with, submarine volcanic and/or **targeted geoscience initiative 4: contributions to the ...** - the lemarchant deposit is a cambrian volcanogenic massive sulphide (vms) deposit located in the central mobile belt of the newfoundland appalachians. unlike other polymetallic vms deposits in the bimodal **exploration of the real de angeles silver-lead-zinc ...** - the real sulphide deposit has sharply defined lateral limits, beyond which both ore and barren sulphides diminish rapidly. the mineral deposit near the ground surface measures 500 m by 400 m (fig. 35.2). the body is asymmetri cally funnel-shaped and plunges steeply to the southwest. continuous sulphide mineralization is indicated in one sulphide drillhole to a depth of 362 m or a vertical ... **sediment-hosted deposits - nr** - also known as shale-hosted stratiform sulphide deposits environment: form in reducing marine basin environments associated with fine-grained carbonaceous rocks. **a geological model for the thompson ni-co sulfide ore ...** - take-away messages • thompson deposit: hosted by p2 member of the pipe formation in the thompson dome structure • primary ultramafic rock association **redcliff - geological society of zimbabwe** - as well as the iron content of the rock, determine whether the deposit is classified as an iron ore or an "iron-bearing material".hence the definition of the term 'iron ore' varies with time and place. **mineralogical assessment of the metamorphosed broken hill ...** - complexity of the sulphide assemblage, which comprises various types of base metal and iron- sulfides/sulfosalts, texturally and chemically modified during subsequent phases of deformation and metamorphism. **efining the style of mineralisation at the airn ill ...** - efining the style of mineralisation at the airn ill magnetite-sulphide deposit; mount woods nlier, awler raton, south australia. esse m. lark1, nigel j. cook1, cristiana l. ciobanu1,anthony j. reid1, 2, peter hill3
