# Yorkshire Sketchbook Abbeys Towns Dales Drawn

*th 18th and 19th century british drawings and watercolours - of all noted abbeys and castles in the country, together with four views of seats and eighty-three large general views of the chief cities and towns of england and wales. they would travel round the country in the summer and produce engravings during the winter which were some of the earliest topographical views of britain. the engravings were printed and sold individually and collected into ...*
